

How to help at home

It would be really useful if you could:

- help your child to learn their weekly spelling challenge ready to be tested on Monday morning;
- help your child learn their times tables **thoroughly**, ready for the test every Monday morning;
- help your child learn their number bonds to 10, 20 and 100;
- listen to your child read every evening, make sure they **understand** what they are reading and use expression when reading out loud;
- update their reading record book;
- ensure they do their weekly homework and give it in on Mondays;

Thank you very much for your continued support.

Mrs Lally

Our Lady's Catholic Primary School

“A place of learning – A community of Christ”

Curriculum Information Summer 2022

Year 2

Dear Parents and Children,

At Our Lady's we follow the National Curriculum 2014. This leaflet gives a brief outline of the knowledge and skills being learned in the curriculum in your class this term. A map of our whole school curriculum can be found on the school website.

Religious Education – We follow the 'Come and See' programme which ensures we cover the curriculum set out by the Bishops of England and Wales. The whole school will cover the same themes with each class approaching it in a different way.

Theme	Learning
Pentecost Serving	Spread the word – Pentecost a time to spread the Good News
Reconciliation Inter-relating	Rules – reasons for rules, Sacrament of Reconciliation
Universal church World	Treasures – God's treasure, the world

Literacy – In Literacy this term, we will be developing writing in particular through the following forms of writing: **writing inspired by Charlotte's Web and descriptive writing.**

The children need to focus on the following skills in particular:

Sentence structure (correct punctuation)
Writing speech – punctuation
Past tense
Paragraphs
Use of adjectives and adverbs

Numeracy – This term we will be focusing on the following key skills:

Place Value, properties of number and times tables
Multiplication and Division
Measures (inc Time)
Addition and subtraction
Properties of Shape

In the rest of the curriculum, we will be concentrating on the following areas of learning:

ICT	Pictograms Making Music
Science	Our Changing World The apprentice gardener
PE	Cricket and athletics
Art	Portraits – Mary Seacole and Florence Nightingale African Art Tingatinga
DT	Puppets Sewing skills
Music	South African Music
History	Florence Nightingale
Geography	Where does our food come from? Seasides
PHSRE	We will be using the scheme 'Life to the Full'. Please see the school website for information about the curriculum. A letter will go home before we teach it.
Music	Friendship Song
