

How to help at home

It would be really useful if you could:

- read with your child daily and talk about what you have read together
- practise writing numbers and letters the correct way
- identify capital and lower case letters in a text
- go through the sounds taught in school using the Ruth Miskin books
- ensure they learn their weekly spellings
- encourage your child to try Doodle Maths
- help them learn their number bonds to 10, 20 and 100
- help them learn their 2, 5 and 10 times tables
- help them to count in odd and even numbers
- talk about new words you find and show how to use the new words in different sentences and contexts

Please feel free to come and chat with me if you have any questions.

Thank you

Mrs Copley and the Year One Team

Our Lady's Catholic Primary School

"A place of learning – A community of Christ"

Curriculum Information

Spring 2022

Year Group

1

Dear Parents and Children,

At Our Lady's we follow the National Curriculum 2014. This leaflet gives a brief outline of the knowledge and skills being learned in the curriculum in your class this term. A map of our whole school curriculum can be found on the school website.

Religious Education – We follow the 'Come and See' programme which ensures we cover the curriculum set out by the Bishops of England and Wales. The whole school will cover the same themes with each class approaching it in a different way.

Theme	Learning
Special People	People in the family parish
Islam	Stories - Muhammad
Meals	Mass: Jesus' special meal
Change	Lent – a time for change

Literacy – In Literacy this term, we will be developing writing, in particular through the following forms: **Well known stories, Non-fiction texts, Diary Writing, Letter writing and Poetry using alliteration and similes.**

The children need to focus on the following skills in particular:

Using their phonic knowledge to help them to spell.
Forming letters correctly.
Starting and ending sentences with correct punctuation.
Using an interesting range of adjectives to describe something.
Using time connectives to join ideas together.
Understanding rhyming patterns and using alliteration.

Numeracy – This term we will be focusing on these key skills:

Counting forwards and backwards from a given number.
Adding and subtracting within 20

Place Value within 50. Recognising 10s and 1s
Counting in 2s and 5s and 10s
Practising number bonds within 10, 20 and 100
Length and Height
Weight and Volume
Doubles and halves

In the rest of the curriculum, we will be concentrating on the following areas of learning:

ICT	Creating media – digital painting. Creating media – digital writing.
Science	Animal groups / Sensing seasons and seasonal changes. Exploring properties of materials.
PE	Dance / Multi Sports / Gymnastics
Art	Matisse and Oriental Art
DT	Playgrounds
Music	How to be in the groove with different styles of music. Pulse, rhythm and pitch.
History	Kings, Queens and Castles
Geography	My Local Area
