# Part A: Pupil premium strategy plan

## Statement of intent

Pope Francis reminds us that that family is the first and essential place of education where, apart from first encounter with the Gospel, children learn that **“education is above all a matter of love and responsibility handed down from one generation to another”**. As a Catholic school we play a central part in supporting families to help their children fulfil their infinite potential. Our pupil premium strategy enables us to do that by:

- Ensuring families feel welcome so that we can build positive relationships.
- Ensuring children feel loved.
- Ensuring we have high expectations for all children so that all children attain to the best of their abilities.
- Ensuring children have access to a broad curriculum and a wide range of extra-curricular activities.
- Ensuring teaching which inspires children and develops true awe and wonder of the world around them.

## Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Less support at home – this can be a result of lack of ambition or parents working exceptionally hard
2	Weak language and communication skills – smaller vocabulary
3	Lack of confidence
4	Attendance and punctuality issues
5	Complex family situations that prevent children from flourishing
6	Lack of financial resources are also a barrier to the cultural opportunities

## Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
<b>“Cultural” education</b> - To close the gap between the majority of our families who could give a broad range of opportunities – music lessons, theatre trips etc.	All disadvantaged children are given and take up the opportunity to take part in a wide range of extra-curricular activities.
Target children’s reading from a very early stage as we know this is where previously we had the biggest gap between our pupil premium children and others are.	All disadvantaged children reach the expected standard at the end of Year 1. All disadvantaged children in Key Stage 2 are reading regularly and taking a minimum of three quizzes a term.

## Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

# Part B: Review of outcomes in the previous academic year

## Pupil premium strategy outcomes

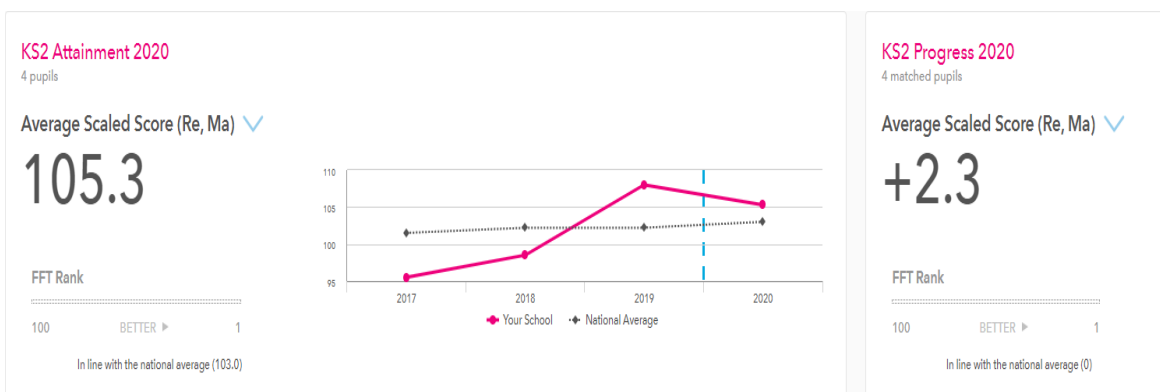

This details the impact that our pupil premium activity had on pupils in the 2020 to 2021 academic year.

### Disadvantaged pupil progress scores for last academic year

Measure	Score
Reading	+3.5
Writing	+3.4
Maths	+1.1

### Disadvantaged pupil performance overview for last academic year

Measure	Score
Meeting expected standard at KS2	75%
Achieving high standard at KS2	0%

We are particularly pleased with the trajectory of attainment and progress of our pupil premium children. We seemed to have greater success when we have had larger numbers of pupil premium children.
