Weekly Newsletter

"A place of learning – A community of Christ"

13th January 2023

Dear Parents,

This week has been wet! Hopefully, the weather will change for next week as children really don't like wet plays.

This week, Year 3 went on their annual trip to Verulamium museum in St Albans as part of their history topic on Romans. They visited the museum and had some hands-on experience with artefacts and also went to the only surviving remains of a Roman theatre in Britain. I know they had a great time despite the weather and, as you would expect, they were extremely well behaved. Well done children and thank you to the parents who came to help. We can only run these trips if we get parent help.

This week, we also had our first tag rugby Chiltern League match. The children have only been playing contact rugby over the past term so it was a bit out of their comfort zone. But they did fantastically well winning 12-10 against Ley Hill. It is a great start to the league and we hope we have got a really good chance of winning this League.

Finally, I'd like to welcome Miss McAvoy to the school. She will be teaching Year 2 for the next two terms as Mrs Lally is on maternity leave. They have been working together this week and Miss McAvoy has made a great start although coming from Australia she is going to need to get used to the cold weather. Good luck, Miss Lally we look forward to hearing all about the baby when he or she comes and we will be praying for you, your husband and the baby.

God bless,

M. Howarth

Curriculum Leaflet and PSHRE

Today, you will be getting this term's curriculum leaflet and PSHRE letter through the app. Please look out for it and make sure you ask if you have any questions.

Thank you

A Message from Ten Ten Resources January 2023

With the arrival of the new year, we start to put away signs of our Christmas celebrations: we finish off festive food, box up decorations, maybe recycling Christmas cards (and Christmas trees!) and perhaps generally breathe a sigh of relief about the return to normality. As we busy ourselves discarding all things of the festive season and look ahead to what 2023 might have in store, it's good to pause and remember that we are still in the season of Christmastide, which officially ends at Candlemas on 2nd February. We can leave many things behind, but hopefully the image of Jesus, God's gift of joy, hope and peace for the world remains.

This newsletter shares some of the content children will experience in school throughout January and suggests ways for you to engage with them about it. We hope and pray that the new year brings peace and blessings for you and your family.

@OLSCCheshambois

Here is a quick snapshot of our learning this week:

olscheshambois

olscheshambois We appear to have some Romans at school
