16<sup>th</sup> January 2025

Dear Parents,

**This week has been relatively quiet in school – it isn't often I write that!** The spring term extra-curricular clubs have started. On your behalf, I would like to say a massive thank you to the staff. In many schools, staff do not run clubs, so parents have to pay for them all. Here at Our Lady's, we see this as a really important part of our provision, but we can only do it thanks to the goodwill of the staff. Thank you.

Earlier in the week, I sent a letter home about the children's equipment. We have just ordered some more, and as soon as it arrives, we will make sure every child has everything they need. Please keep an eye on ParentPay, as we cannot afford to provide equipment for all the children free of charge. We hope that this new system means that you can always be confident that your child has the equipment they need in school. Thank you for your support.

Finally, you may have heard that Mr Weatherill is running the London Marathon for charity this year. I am sure we will hear a lot more about this as we get nearer to the big day, as it is great for the children to have such a positive role model. I have included some more information later in this newsletter, but if you would like to sponsor him, please follow this link.

London Marathon 2026

I'm incredibly proud to be running the London Marathon for Hearing Dogs for Deaf People - a cause that's close to my heart and the hearts of my family.

My mum has been a devoted volunteer with the charity for over 20 years. She has helped to raise and socialise countless puppies. She supported the breeding programme by opening her home to many dogs, lovingly caring for them as they brought new puppies into the world for the very first time. Her final dog, Tia, retired in 2022. Both Mum and Tia are now both enjoying a well-earned rest after years of dedication.

Every penny I raise will help train more life-changing hearing dogs. These amazing animals alert deaf people to vital sounds like smoke alarms and baby monitors, while also offering companionship and emotional support to combat loneliness and isolation. £10 could buy a selection of treats and toys to reward the pups during their training. It costs £250 to provide food for a hearing dog for a year, keeping them strong and healthy. It costs £25,000 to fully train just one hearing dog - so your donation, big or small, will make a real difference.

Thank you!

Mr Weatherill
