

Our Lady's Catholic Primary School

Weekly Newsletter

"A place of learning – A community of Christ"

29th April 2022

Dear Parents,

Welcome back everyone. I hope you have had a great Easter holiday and enjoyed the wonderful weather. It has been great to have the children back in school this week.

This term is unusually short but incredibly busy. There is plenty of work to do especially as, either side of half term, the children will be taking their end of year assessments. The children have come back to school really settled and are working hard, so I am sure they will all do very well.

This week, I have been very honoured to give a short presentation to all the other head teachers in the Northampton Diocese about how to ensure a "values led curriculum". It is great that we have been identified as a school who leads in this area. Our curriculum is rooted in the church's teaching and is very much based on Pope Francis' wise words that Catholic Education is about "**Identity, Quality and Care for the Common Good**". If you want more information about the foundations of the Our Lady's Curriculum then please have a read on our website.

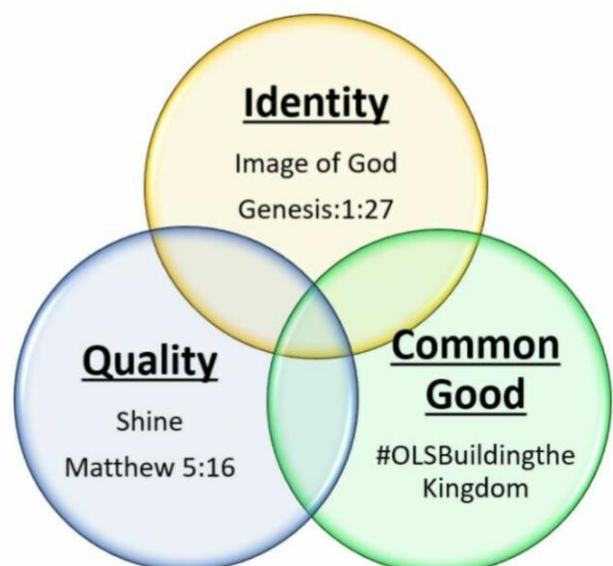

[Curriculum Foundations - Our Lady's Catholic Primary School \(olschesham.co.uk\)](https://olschesham.co.uk)

However, if you want to see what this looks like day to day then remember to follow the school Instagram page which we try to update regularly.

Enjoy the long weekend,

God bless,

M. Hold 

Easter Mass

Father Alessandro will be celebrating Mass with us next Friday, 6th May at 9.15am. Parents are more than welcome to come and join us for this very joyful Easter celebration.

Recruitment

We are currently looking to recruit teaching assistants from September. This might suit a young person taking a year out. If you know of anyone who would be interested then please forward the details of the job to them.

Thank you
Mr Holdsworth

Uniform

Just a quick reminder about uniform. Please make sure children come in with their school shoes on and not trainers. Also, please make sure that hair bands match school colours and that earrings are small gold or silver studs. I don't want to be battling with children in school when it isn't really their fault. Remember, uniform is the time you show your children that it is important to follow the rules. ***Look smart, work smart!!!!***

Thank you,
Mr Holdsworth

Safeguarding

The DFE have produced a document for parents about keeping their children safe outside of school. Our children are lucky to be doing so many amazing activities outside of school so I thought it might be useful. I've uploaded it to our website.
